

GETTING ON TARGET!

Kid's Track- July 24-27 Sickle Cell Convention, Dallas, TX

WHAT IS IT?

The Kid's Track is an educational opportunity SPECIFICALLY children ages 6-14 that are either living with sickle cell or someone affected by it (sibling, family member, friend, etc.). THIS YEAR'S FOCUS

Understanding Sickle Cell: It's never too early to learn the biology of sickle cell. Join us as we work through affected body systems in a hands-on fashion.

Self-Care: How do we take care of ourselves, physically and mentally? How can we, as kids, focus on staying healthy and positive when times are tough? We will be creating many takeaways to help so don't miss out!

Advocacy: How do we speak up and speak out about sickle cell? What can we do when we don't feel heard? This year we're exploring useful tactics!
